2.2 If any Rent is unpaid for 14 days after it falls due, the Tenant will pay interest at 3% above the Bank of England base rate from the date it was due until the date it is paid, as permitted by the Tenant Fees Act 2019.

2.3 The Landlord may, acting in good faith, allow a short grace period where the Tenant has notified the Landlord in advance of a delay.

2.4 The Tenant is responsible for paying council tax, water and sewerage charges, gas, electricity, telephone, broadband and the television licence for the Property during the Term.

SECTION 3 - DEPOSIT

3.1 A deposit of £1,563.46 is payable on signing. It will be registered with the Tenancy Deposit Scheme, an authorised tenancy deposit scheme, within 30 days.

3.2 At the end of the tenancy the Landlord may deduct from the Deposit reasonable costs for damage beyond fair wear and tear, unpaid Rent and unpaid utility bills, and will return the balance within 10 days of agreement.

3.3 No holding deposit is held. Where a holding deposit of £340 was paid it has been credited against the first month's Rent.

SECTION 4 - TENANT'S OBLIGATIONS

4.1 The Tenant must keep the inside of the Property clean and in good condition and must not damage it or the contents.

4.2 Not to assign, sublet, take in lodgers or part with possession of the whole or any part of the Property.

4.3 Pets: no pets are permitted other than one indoor cat which the Landlord has agreed to in writing.

4.4 Not to smoke or vape inside the Property and to ensure that visitors do not do so.

5.1 The Landlord will insure the building against the usual risks. The Tenant must not do anything that would make the insurance void or increase the premium.

5.2 Rent suspension applies where the Property cannot be lived in because of fire or flood, except where the Tenant is at fault. If the Property is made uninhabitable by an insured risk, the Rent will stop being payable until it is fit to live in again, unless the damage was caused by the Tenant.
